Re: Mallard Lake Landfill Supplementary
Permit

Dear Mr. Heil:

Your application for the following supplemental permit for liquid wastes in the sanitary landfill at Mallard Lake South Hill site is hereby approved and this letter will serve as your permit.

<u>ITEM</u>	<u>GEN.CODE</u>	<u>HAULER</u>	<u>QUAN.</u>
Asbestos Dust	36	Van Der Molen	6 cu.yds/wk.
" "	37	" " "	3 cu.yds/wk.
" "	38	" "	2 cu.yds/wk.

Your permit is subject to revocation if an alternate and more suitable method of disposal becomes available.

The disposal of asbestos dust will require special handling because of the health hazard involved. This handling shall consist of placing the containerized fiberboard drums in a designated area in such a manner as the drums will not rupture. They should be covered as carefully as possible before heavy equipment is allowed to travel in that area. The cover shall be a minimum of 2 feet.

If at any time we can provide assistance with the project, or if you have any questions concerning our regulations, please feel free to call on us.

Sincerely yours,

O. L. Meyer, P.E.
Administrator of Solid Wastes

Re: Mallard Lake Landfill Supplementary Permits

Dear Mr. Heil:

Your application for the following supplemental permit for liquid wastes in the sanitary landfill at Mallard Lake South Hill site is hereby approved and this letter will serve as your permit.

<u>ITEM</u>	<u>GEN.CODE</u>	<u>HAULER</u>	<u>QUAN.</u>
Chemical Blending Waste	40	Browning-Ferris	2500 gal/mo.

Your permit is subject to the conditions specified on the back of the first page of the application and all conditions and restrictions imposed by the Illinois Environmental Protection Agency are hereby incorporated by reference. Plans and specifications shall be considered integral parts of the permit application and this permit.

This permit is subject to revocation if an alternate and more suitable method of disposal becomes available.

If at any time we can provide assistance with the project, or if you have any questions concerning our regulations, please feel free to call on us.

Sincerely yours,

O. L. Meyer, P.E.
